

# The Windsor Square-Hancock Park Historical Society

Has arranged a special tour

*Why travel to Europe when you can see a Greek Orthodox Cathedral  
right in LA – Saint Sophia*

**Meet at the Cathedral 1324 S. Normandie Avenue  
Los Angeles, 90006**

**The cathedral is patterned after Saint Sophia of Constantinople.  
The architecture reflects the influences of both the Hellenistic and Byzantine periods.**

**Friday, February 24, 2017 10:30 am**

When Charles P. Skouras and his brothers, Spyros & George, were still trying to get ahead in Hollywood Charles made a vow that he would build the most majestic cathedral if God would grant him success in show business. He became head of Fox West Coast.

If you wish to join a group of us for a no host lunch after the tour, we will meet at  
Papa Cristos 2771 West Pico – across the street from the Cathedral - free parking at both places
