

The Windsor Square Hancock Park Historical Society

Invites you to visit the
Doheny Mansion

Saturday, July 21, 2018

At 10 am – we will tour for about 2 hours

The address is 10 Chester Place. This is just off Adams Blvd. west of Figueroa – a little bit - it is on the Mount St. Mary's Campus. Not too far from the Auto Club building - security will tell you where to park.

The main house is eclectic, with a combination of Gothic, Chateausque, Moorish and California Mission styles. Built in 1899 the Doheny family lived here for nearly 60 years. Wear walking shoes.

The restaurant where we can have a no host lunch is the Grinder at 28th & Figueroa – Adams could be considered 27th so you see it is close by - free parking at both places.
